

POLES THREATEN TO BREAK THROUGH RED LINES

CLEVELAND IN
MOURNING FOR
BALL PLAYER

Immense Crowd Attends Funer-
al of Ray Chapman, Killed
by Pitched Ball.

POLICE REGULATE CROWDS

Big Cathedral Is Jammed by
Fans Who Honor Memory
of Baseball Hero.

By United Press Leased Wire
Cleveland, Ohio.—Cleveland "called
time" today to do honor to the mem-
ory of Ray Chapman, former short-
stop of the local American league
baseball team who died from being hit
on the head with a baseball Monday.

A great throng of men and women
and kids from the bleachers jammed
the cathedral here as a long procession
of automobiles, led by the dull gray
hearse bearing the shortstop's body,
approached the edifice. It was neces-
sary for several dozen policemen to
force a way through the crowd to the
cathedral doors. Heads were bared
as the casket was carried into the
darkened interior by Tris Speaker,
Jack Graney, Steve O'Neill, Joe Wood
and four others who were intimate
with Chapman.

Behind the pall bearers walked Mrs.
Ray Chapman, supported by her par-
ents followed by the parents and re-
latives of Chapman.

They were followed by Ban R. John-
son, president of the American league;
James Dunn, owner of the Indians;
and his wife; Mayor Fitzgerald; the
entire Cleveland team and a party of
four players representing the New
York Yankees. Despite efforts of the
police to regulate the entrance of the
crowd, the cathedral overflowed with-
in five minutes. When the gates of
the cathedral were reached, it re-
quired strong efforts by the police to
prevent many being trampled in the
concentrated efforts to storm the en-
trance.

CONSUMERS PICKET LINE
TO FORCE DOWN PRICES

By United Press Leased Wire
Washington, D. C.—The "consumers'
picket line" may be the next step
in the effort to send retail food prices
downward.

Proposals that such a movement be
organized have reached the depart-
ment of justice in letters from citi-
zens. It was learned today.

Under the proposals consumers car-
ry signs, and banners with the
wholesale price of commodities printed
on them, would be formed into
lines to picket establishments where
retail prices have not been marked
down.

Statistics issued by the department
of labor show that while wholesale
prices dropped in July as compared
with June, the level of retail prices for
the two months was practically the
same.

With wholesale prices going down,
J. E. Weatherly, economic expert of
the department of justice, today pre-
dicted that a drop in retail prices was
only a matter of weeks.

HASN'T SEEN HUBBY
SINCE WEDDING DAY

Mrs. Harry Barnhart, formerly
Nora Bergman, has caused the arrest
of her husband whom she charges
with non-support. The couple was
married at the courthouse less than
a year ago. Barnhart was bound
over to the upper branch of municipal
court when arrested Friday morning,
and his bond was fixed at \$1,000 which
he was unable to furnish. Mrs. Barn-
hart alleges that her husband left her
shortly after the ceremony and that
she had not seen him since until his
arrest.

A Loyal Worker Shot

By United Press Leased Wire
Chicago.—Three men, believed to be
"outlaw" switchmen, early today shot
and seriously wounded Edward A.
Remelsinger, a switchman.

It is believed the trio sought re-
venge against Remelsinger who re-
fused to strike.

Anti-Entente Riots

London.—The anti-entente riots in
Kattowitz, in the plebeian area are
likely to create a new Franco-Ger-
man crisis, in the opinion of the Ber-
lin Vorwaerts.

Vaccination is Urged to
Stop Spread of Small Pox

A meeting of the board of health
was recently called at the office of
Mayor J. A. Hawes at the request of
the city physician for the purpose of
discussing the smallpox situation and
the necessity of guarding against a
possible epidemic of the disease next
winter. The unsanitary condition of
the freight warehouse of the North-
western Railway company was also
considered. The board recommended
to the council that the Red Cross be
tendered the use of the dental clinic
room at the city hall, but that none
of the equipment be removed to the
health center. The board further re-
commended that the city health depart-
ment remain in the city hall and that
all contagious disease activities be or-
ganized and conducted independently as
permitted by the city health depart-
ment.

The report of the meeting which
Mayor J. A. Hawes, president of the
board of health, presented to the com-
mon council Wednesday night and
which was ordered filed reads:

Disease Still Exists

"Dr. H. E. Ellsworth, health officer,
presented a verbal report regarding
the prevalence of smallpox in the city
during the past two years and called
special attention to the fact that this
disease has not disappeared during
the present season as has been the
case in former years, but has per-
sistently existed and spread among
our citizens in spite of close attention
on the part of our physicians and
health officers.

"Notwithstanding the fact that
smallpox as it exists in this commu-

FIRE HOSE DROWNS
JAIL HUNGER RIOT

Sixty Prisoners Wreck Cellroom
Because They Want More
Food Variety.

By United Press Leased Wire
Baltimore, Md.—Sixty prisoners in
the Maryland penitentiary, who ex-
pressed their desire for a more elab-
orate cuisine by staging an all night
riot, went back to their cells today
outwardly subdued but inwardly yearn-
ing for table delicacies.

The prisoners succeeded in doing
\$10,000 worth of damage before they
were rounded up by prison guards,
city policemen and firemen.

Shots fired in the air and lustily
wielded clubs had no effect on the riot-
ers. Only when treated to a bath
from fire hose did they call off their
home grown revolution.

Several hundred prisoners went on
strike two days ago for a greater var-
iety of food. All but sixty returned
to work yesterday. These were con-
fined in a special detention building,
in which the demonstration started
shortly before daybreak. Lights were
extinguished, windows and doors bro-
ken and a continual shouting kept up.
Some of the prisoners broke through
their cells and released the rest. For
a time the prisoners were in complete
control of detention building. After
they had been subdued by the water
cure, they were removed to cells in
the main building. One fireman was
slightly injured from a blow on the
head.

Suppression of the riot was cele-
brated by the prison band playing
"Maryland, my Maryland."

POLISH PEACE DELEGATES
WAIT FOR MORE VICTORIES

London.—Polish armistice delegates
at Minsk are following out their plan
of "marking time" while their allies
continue to win further military vic-
tories, it was indicated in advices re-
ceived here today.

While the proceedings at Minsk
were shrouded in mystery, it was
learned from unofficial sources that
the Poles are showing a disposition
to hold out for far less onerous terms
than were a first proposed by the
bolsheviks. The Soviet news regarding
the negotiations was a lengthy mes-
sage from the delegates to the Polish
foreign office. Its contents were not
made public. Meanwhile, War Min-
ister Trotsky has arrived at Proskien,
in east Prussia, sixty miles west of
Grodno, to confer with German offi-
cers regarding political and strategic
questions, according to a Danzig dis-
patch.

Receivers for Ponzi

By United Press Leased Wire
Boston.—John Forbes Perkins, a
Boston business man, William R.
Sears, a lawyer, and Edward A.
Thurston, Fall River, former chair-
man of the republican state commit-
tee, today were named receivers for
Charles Ponzi.

E. R. Henderson, city scout executive,
left Friday morning for Wau-
paca, where he will inspect the scout
camp at Onaway Island over Satur-
day. Miss Mary Stevens will be in
charge of the scout office during his
absence.

Stecker brothers' orchestra played
at Synco Thursday night.

FARMERS ARE
PLEASED WITH
DAIRY JAUNT

Excursion of Guernsey Breeders
to Fond du Lac County
Is Success.

SEE HIGH PRICED CATTLE

Splendid Herds Are Object Les-
sons to Outagamie Coun-
ty Dairymen.

The enthusiasm for pure bred
Guernsey cattle in Outagamie county
was increased tenfold through the
dairy excursion to Fond du Lac coun-
ty Thursday. The Guernsey men and
their families saw some of the highest
priced cattle in the United States and
learned many of the possibilities, both
financial and otherwise, from the cul-
ture of pure bred cattle.

Twenty automobiles loaded with
farmers made the trip, leaving the
First National bank corner shortly be-
fore nine o'clock. Upon their arrival
in Fond du Lac they were welcomed
by R. B. Banks of the Farm Bureau
and a group of prominent Guernsey
breeders including Barney Sheridan,
secretary of the Fond du Lac county
association, Matt Michaels, George
Burns and Charles Hill.

The first stop was at Mr. Michael's
farm. He is one of the older breeders
of the county and showed two herds
that were descendants of famed sires.

The excursionists found dinner
awaiting them on the lawn when they
reached the Fred Ingall farm, about
three miles from Fond du Lac, which
was the second stop.

A photograph of the group was taken
following the dinner. Short ad-
dresses were made by Mr. Sheridan
and Mr. Hill, expressing the pleasure
of the neighboring association at be-
ing able to entertain their fellow
breeders from Outagamie county.

A brief stop was made at the fair
grounds to view the booth which the
Guernsey association is preparing.
They also examined the new live stock
building erected by Fred G. Rueping.

Lesson in Cleanliness

An effective lesson in cleanliness
was gained from the visit at the Barney
Sheridan farm. The visitors marveled
at the spotless condition of the barns
and the excellent condition of the
stock. Mr. Sheridan explained the val-
ue of starting the purification of milk
at the source by keeping it away from
dirt.

Two high class herds owned by
George Burns at Oakfield were exam-
ined, but the time was limited and the
party therefore did not make as long
a visit as it anticipated.

See Rueping Herd

The final and perhaps most profit-
able stop was at the Fred G. Rueping
farm. Some of the highest priced ani-
mals in the country are owned by Mr.
Rueping. His manager, Mr. Whitner,
led out three high-priced Guernsey
females recently purchased. One he
healed to be the highest in the
world, for which he paid \$17,000. An-
other cost \$5,000 and the third \$5,000.

Nineteen head of uniformly excellent
Guernseys stood in the barns and were
cooled by huge electric fans. The ex-
cursion was also an interesting place.
Several Holstein cows were found
there, kept solely for nursing pur-
poses. It was found that Guernsey milk
was of such test as to make its use
for feeding impracticable.

That Mr. Rueping is doing was said
to be impracticable for the average
farmer, as the development of Guern-
sey at his farm is not done for profit.
He is credited with doing more
than almost any other breeder to pro-
duce the best possible animals. The
dairymen of the county and of other
localities as well will benefit by the
high class cattle produced through his
matings, breeders state.

The Outagamie county men counted
their excursion as a success in every
way. They all stated that their en-
thusiasm was greater than ever for
advancing the pure bred interests of
this county.

STARTS PROBE OF
MILL SUSPENSION

Gov. Cox Charges Factories Are
Closing Down to Create
Hard Times.

By Herbert W. Walker
By United Press Leased Wire
Toledo, Ohio.—Investigations of the
laying off of large numbers of men by
several industrial concerns are being
made by personal representatives of
Governor James M. Cox. It was learned
today as the democratic presidential
candidate was returning from a vigor-
ous stump invasion of South Bend, Ind.

Cox stated he has ordered a survey
made of the reasons for closing down
mills of the American Woolen Com-
pany. Recently reports have been re-
ceived by the governor, as he indirectly
charged in his speech at South Bend
last night, that "certain interests"
were endeavoring to create hard times
in the home of the dissatisfaction caused
may be used against the democratic
party. Cox is also of the opinion that
a movement is under way to keep liv-
ing costs up until after the elections.

Regarding the closing of American
woolen mills, he said:

"Mills are being closed down in the
face of a sustained demand. Why is
it done? First, to drive the price of
wool down; second, to reduce the wage
scale; and third, to increase the cost
to the consumer by decreased produc-
tion. There must be an understand-
ing between these interests and the
senatorial oligarchy which is now at-
tempting to elect one of its members
to the presidency. They are not giv-
ing their millions without some assur-
ance."

In this connection Cox lodged the
charge against the republicans that
they are seeking a campaign fund of
\$15,000,000.

The charge also was made by Cox
at South Bend that big bankers were
contributing to the republican cam-
paign in the hope of impairing the fed-
eral reserve act, which he said has
been a stone wall against panics.

NEIGHBORS BLAMED
FOR FAMILY TROUBLE

The divorce case of George Demel
vs. Mary Demel is on trial in munici-
pal court. The couple lives in Kim-
berly and the husband charges his
wife with cruel and inhuman treat-
ment. According to the testimony of
witnesses Friday morning the action is
in great measure to the interfer-
ence of neighbors one of whom was
reminded by the court while on the
witness stand for endeavoring to be-
smirch the character of the defendant.
The couple has two children. The tes-
timony will be concluded early this
afternoon. Attorney J. P. Frank is
representing the plaintiff and Attorney
F. V. Helmreichmann the defendant.

PRINCE VISITS CHICAGO

By United Press Leased Wire
Chicago.—Crown Prince Carol, of
Rumania, expected to spend his eight-
day trip here today after the fash-
ion of Chicago's usual out-of-town vi-
sitors.

The prince was to spend most of the
day in Chicago's stockyards where he
will be shown how hogs, cattle and
sheep are killed and prepared for mar-
ket.

SUFFRAGE IS
STILL SECURE
IN TENNESSEE

Anti-Suffrage Speaker of House
Makes No Effort to Re-
consider Bill.

WOMEN MORE CONFIDENT

Believe That Antis Cannot Mus-
ter Enough Votes to De-
feat Amendment.

By United Press Leased Wire
Nashville, Tenn.—The lower house
of the Tennessee legislature met and
adjourned today without an effort be-
ing made to force reconsideration of
suffrage ratification. The house will
meet again tomorrow morning.

Speaker Walker did not bring up
his motion for reconsideration, altho
the two legislative days in which he
had the right to do so expired when
the house adjourned.

Suffragists regarded this as a tacit
admission that he had not been able
to marshal sufficient strength to war-
rant an effort to overthrow ratifica-
tion at this time.

It was explained that the motion to
reconsider could be made by any mem-
ber of the legislature when the house
reconvenes tomorrow. Under the rules,
Walker had the exclusive right—dur-
ing the two day period—to move re-
consideration. Now the two days have
expired and the right is no longer ex-
clusive.

When the house went into session,
aisles and galleries were as crowded
as on Wednesday when suffrage was
ratified. Spectators and legislators
were nervous and expectant, believing
the anti-suffrage would endeavor to force a re-
consideration when a propitious mo-
ment arrived.

Suffrage advocates took the off-
ensive in the fight to prevent possible
reconsideration when Rep. Hall moved
that the house adjourn until Monday
morning.

The house, forty-seven to forty-nine,
voted not to adjourn.

The house then voted to adjourn un-
til tomorrow morning at 10 o'clock.

SUICIDE THEORY
IS HELD BY POLICE

Investigation Shows Woman
Killed Son and Then
Took Own Life.

By United Press Leased Wire
Milwaukee, Wis.—That the woman
whose body with that of her son was
found near Cudahy lake Wednesday
killed her son and took her own life
and was murdered, is the belief
today of police, following identification
of the bodies.

The woman late yesterday was iden-
tified as Mrs. Francis Platt, and the
boy, her seven year old son, Frank.
The bodies were identified by Carl
Rohr, with whom the woman had
been making her home since having
to give up her own home recently.

Police learned that Mrs. Platt pur-
chased the revolver found beside the
bodies, telling the hardware store
keeper to send it to her husband.

Her husband, James Platt, a min-
er at Linton, Ind., and her father,
John Ozala, Jeanette, Pa., have been
notified of the deaths.

SEEK LEADERS IN HUGE
RUM THEFT CONSPIRACY

By United Press Leased Wire
Cleveland, Ohio.—Dozens of persons
among municipal and federal officials
will be arrested shortly in connection
with what John H. Brown, special in-
ternal inspector from Baltimore, term-
ed "a gigantic \$25,000,000 rum con-
spiracy," operating in Kentucky, Ohio
and on to the Atlantic coast.

More than twenty Clevelanders are
implicated, he said.

Since Jan. 16, approximately \$25,-
000,000 worth of liquor has been re-
moved from government warehouses
in Kentucky and Pennsylvania by
theft or fake permits and distributed
through agencies in Ohio to eastern states
person said.

PENNSYLVANIA WOMEN
HAVE RIGHT TO VOTE

By United Press Leased Wire
Harrisburg, Pa.—The constitutional
right of the women of this state to
vote at the election to be held this
coming November, was upheld in an
opinion by Attorney General Schaeffer
today.

The opinion was made in reply to
a request of Governor Sproul to de-
termine if there were constitutional
limitations in the way of granting
suffrage in Pennsylvania upon ratifi-
cation of the Anthony amendment by
the 36th state.

Mail Man Retires After
Walking 200,000 Miles

Albert J. Kreiss to Receive Pen-
sion After Nearly 33
Years' Service.

After carrying a mail route for
nearly 33 years without interruption
save for a two weeks' illness, Albert
J. Kreiss retires from the postal ser-
vice today under the retirement act
for civil service employees. He entered
the postal service while a democratic
president, Grover Cleveland was in
authority and leaves while another
democrat, Woodrow Wilson, is head
of the nation.

Mr. Kreiss is the first of the Ap-
pleton city carriers to retire under the
new pension law. He has traversed his
route daily since January 1, 1888,
a total of 32 years and nine months.
Figuring the average day's trip at 20
miles, he has walked more than 200,-
000 miles in 3,600 days and has car-
ried over 400 tons of mail.

He was the first man to be engaged
when carrier delivery was granted the
city of Appleton. James Ryan was
postmaster at the time and Mr. Kreiss
was chief of the fire department un-
der Dr. Rush Winslow, mayor. He
also operated an insurance agency. A
man was needed to map out four
routes and both the postmaster and
mayor prevailed upon Mr. Kreiss to
accept the position because of his in-
timate knowledge of the city.

Mapped First Routes

The city was divided into four
routes by Mr. Kreiss. The other men
engaged were George Lewis, who was
then a postoffice clerk. He carried
the first ward route. Mr. Kreiss
took the second ward, Michael Haef-
ner the third and Joseph Monast the
fourth. The latter two men have
since died. Mr. Monast resigned after
the first six months and was succeeded
by John Brown, who is now on a
leave of absence from the carrier ser-
vice. A fifth carrier, Henry Loessing-
yung was added at this time.

The first routes were long and the
force had no regular working hours.
They carried their mail during the
day and spent one hour at the carrier
window in the postoffice evenings. The
routes were changed from time to
time as the city grew until there are
14 carriers. The population of Ap-
pleton when Mr. Kreiss started was
between 10,000 and 12,000.

The postoffice building was located
on Onondaga street in the building
occupied by the book store. Four
postmasters have succeeded James
Ryan. They were Frank W. Harri-
man, John M. Baer, M. P. Barreau
and the incumbent, Gustave Keller.

Helped in Green Bay

Mr. Kreiss succeeded so ably in
starting the Appleton carrier system
that his assistance was sought at
Green Bay two or three years later
when the department authorized car-
rier service. Mr. Robinson was post-
master at the time and was quite con-
cerned over the routing of the city.
The Appleton carrier went to Green
Bay on a Sunday and spent almost
the entire day studying the city's lay-
out. He climbed to the top of some
of the high buildings and viewed the
city's physical structure, then went
about the streets with a horse and rig
and laid out for the five car-
riers and each was taken over his ter-
ritory. The men started out the next
Monday morning and asked no
changes. Mr. Kreiss said that an-
other plan was tried about two years
later, but within five years they were
back to the original system.

MORE

The veteran carrier was 55 years
old.

(Continued on Page Two.)

POLES WARNED NOT
TO INVADE RUSSIA

United States Instructs Polish
Government to Halt
Invasion.

By United Press Leased Wire
Washington.—Poland has been
warned by the United States not to re-
peat her advance into Russian terri-
tory if her army succeeds in driving
the bolsheviks from Polish territory. It
was stated officially here today.

Unless this warning is heeded, Pol-
and may prejudice her own case in
the eyes of the United States, it was
stated.

The attitude of this government is
indicated in the note to Italy outlining
the American attitude toward the Pol-
ish-Russian situation. This note while
declaring for the "political independ-
ence and territorial integrity of Pol-
and," concludes with a request that
the allied and associated powers de-
clare that the true boundaries of Rus-
sia be respected and "no transgression
by Poland, Finland or any other pow-
er be permitted."

Other warnings have also been giv-
en the Poles by this government.

BUILDING IS HELD
UP BY RAILROADS

Inability to Obtain Materials Is
One Reason for House
Shortage.

By Ralph H. Couch
By United Press Leased Wire
Washington, D. C.—Relief from the
nation-wide housing shortage, depends
largely upon rehabilitation of the rail-
roads so that building materials can
be transported in larger quantities, ac-
cording to reports to officials here.

"Building has been almost comple-
tely halted all over the country because
materials cannot be obtained," said
Chief Engineer Chase of the United
States housing corporation today.

"The shortage of houses now is
more acute than it was at the time
of the armistice when building had
been suspended for nearly three years.
Little improvement can be expected
until spring."

The priority orders issued by the
interstate commerce commission, fa-
voring the movement of grain and coal
made it practically impossible to get
materials. In only a few cities of the
middle west has any considerable
building been undertaken. Builders in
practically all big cities now are mak-
ing elaborate plans to begin work on
a big scale next spring. This, how-
ever, is contingent on their being able
to get larger quantities of brick, sand,
gravel, lumber and hardware.

The country now is short 5,000,000
buildings, according to estimates pre-
pared by Chase.

RELIGIOUS INSTITUTE
DISCUSSED AT MEETING

Preliminary plans for the setting up
of a city-wide religious institute here
were discussed at a meeting of the re-
ligious work committee of the Y. M. C.
A. Thursday. The committee also con-
sidered putting into operation other
features of the religious program
worked out several weeks ago. Mem-
bers of the committee are A. R. Eads,
chairman, J. E. Bond, H. H. Cole, W.
T. Embrey, Ed. Kuester, J. M. Mar-
kie, the Rev. J. L. Menzner, Dr. M.
J. Randborn, and Dr. W. R. Naylor.
George F. Werner, general secretary,
and Joseph E. Hennison, religious work
secretary, were also present.

Terrorist Methods Are Used by
Bolsheviks, Polish Mes-
sage Avers.

BULLETIN

By United Press Leased Wire
London.—(1 p. m.)—The Polish en-
circling movement between Dablin
and Brest-Litovsk has taken the Rus-
sians in the rear, completely shutting
off the retreat of the army north of
Warsaw, and imprisoning them in a
"bottle-neck," according to a News
Agency dispatch from Warsaw today.

From semi-official sources, it was
learned that the Minsk armistice ne-
gotiations are still delayed, the Rus-
sians openly charging the Poles with
purposely evading the conference in
hope of a complete military victory.

(By Webb Miller)

London.—The Polish counter-offen-
sive continues successfully on the en-
tire battle front, except for a small sec-
tor in the Lemberg district, according
to unofficial advices received here to-
day.

The Poles have advanced more than
50 miles in the region of Warsaw, tak-
ing more than 10,000 prisoners and
great quantities of munitions. The
wedge driven into the Russian lines
directly east of Warsaw not only
threatens a complete break through
but has practically cut off the Red di-
visions north of that city and exposed
them to capture or annihilation.

In this drive the Poles have swept to
within less than 15 miles of Brest-
Litovsk for the river Bug, 115 miles
east of Warsaw.

The bolsheviks have completed eva-
cuation of that city, it was reported,
and Polish forces expected to enter
within a few hours.

On the south front the bolshevik
pressure was still evident, the soviet
troops having pushed forward to with-
in 15 miles of Lemberg.

The Reds were reported fighting
with unusual desperation in the sec-
tor north of Warsaw. They claimed
to retain a foothold near the junction
of the Vistula and Vkra (16 miles
northwest of Warsaw), but information
from all other sources indicated the
fighting had swept far to the north-
ward and eastward.

Cross Old Boundary

Polish troops had apparently cross-
ed the Russo-Polish boundary fixed by
the treaty of Versailles on a front
of nearly 75 miles, south of Brest-
Litovsk and it was believed the Ger-
man frontier soon would be overrun
as far north as Dniekost (85 miles
north of Brest-Litovsk and only 48
miles from Grodno, the new bolshevik
headquarters.)

If the Poles reach the important
fortress of Lomza 20 miles northwest
of Ostroloka it was predicted that the
Poles recently ejected from the
Danzig corridor, would either have to
surrender or be forced into east Prus-
sia.

To save the situation in that sector,
the third, fourth and fifteenth soviet
armies, totalling 30,000, are being con-
centrated there as reinforcements.

A dispatch to the Times from Gran-
denz reported the Poles were organiz-
ing and equipping an army of 100,
ing and equipping an army of 100,
corridor.

American hospitals, ambulances and
motor lorries are being used in this re-
gion.

Germans Help Reds

Warsaw.—German citizens are co-op-
erating with the bolsheviks everywhere
in the invaded areas, particularly in
Pomerania, the Polish official com-
munique reported today.

The Reds were said to be employ-
ing "terrorist" methods to subdue the
anti-bolshevik population in captured
territory.

Polish troops have pushed the an-
emy back 50 to 100 miles from War-
saw.

American aviators operating with
the Polish armies have been singled
out for praise by President Pilsudski.

"Germans are cooperating with the
bolsheviks everywhere in the invaded
areas particularly in Pomerania
northwest of Warsaw," the statement
said.

Americans Give Aid

"Red troops are employing terror-
ist methods to subdue the civilian po-
pulation of captured territory."

"Fighting is now proceeding 4 to 15
miles northwest of Warsaw in the di-
rection of Dniekost."

"The bolsheviks are closer to Lem-
berg which, however, is not in danger."

"The commander in chief expressed
gratitude to Major Cedric Fawcett
and the third flying squadron (Ameri-
can) for its efficient work. This unit
made 49 flights Monday holding the
advancing bolsheviks by continual
bombing operations."

KREISS RETIRES AFTER 33 YEARS

(Continued from Page One.)

old when he entered the postal service and will be 66 years October 11, 1930, three years past the age of retirement under the pension act. He married Miss Mathilda Schubert 43 years ago and has two daughters, Mrs. Frank Pasler, Appleton and Mrs. Carl Smith, Bardonia, Fla. He was born in Milwaukee, but was brought to Appleton.

His father, George Kreiss, was owner of the Appleton house, where St-

der's restaurant is now located. This was the leading hotel in the city at the time. The father at one time owned the Appleton Hub and Spoke company, was fire chief and state senator. He was one of the city's leading political figures of his day.

Reared as a printer.

The first occupation followed by Mr. Kreiss was that of printer. He worked for about three years under James Ryan in the old Crescent shop, which was on the second story of Pettibone's store. He relates an amusing instance from his printing shop days. The workers had absolute instructions to "follow copy." The day of the fire which nearly consumed the entire city of Oshkosh, he sat by the window watching the dense clouds of smoke. His copy flew out of the window and his associates reminded him of the boss's admonition. He surprised them by climbing out of the second story window and down an awning to the street, where he rescued the missing paper.

Mr. Kreiss attributes his uninterrupted career as a mail carrier and his present good health to his ability as an athlete in his younger days. He was so good, in fact, that he was able to teach athletic exercises at the Appleton Turnverein for 15 years. He trained under George Brosius, famous Milwaukee athlete, and also under Capt. Herman Koehler, who is fencing master and physical instructor at West Point military academy. He won many honors and high awards in the turnfests that were held in various cities of the Fox River valley.

The insurance business appealed to Mr. Kreiss, and he took it up while he was employed in George C. Jones' law office. He later became city clerk under Mayor Humphrey Pierce and served one year. He continued his insurance business while at the city hall. It was here that Joseph Kofend, Sr., who was the treasurer, also became interested in insurance. He then went to the fire department as chief.

The city had operated a voluntary department, but changed it to part paid and part call when Mr. Kreiss took charge. The firemen honored his 31st birthday October 11, 1894 by presenting him with a handsome gold-headed cane. It bore the date and the inscription of the department. He still has the cane and prizes it very highly.

The city established a water works system after Mr. Kreiss was appointed chief. One engine and a reserve had been kept. There were only two fire

BREEDERS VISIT WAUPACA FARMS

Large Delegation of Holstein Men and Families Attend Excursion.

Interest at the Holstein breeders' excursion to Waupaca on Friday morning was fully up to expectations. Most of the farmers and their families met at the First National bank corner and started away in an impressive automobile procession shortly before nine o'clock.

Breeders from the western part of the county assembled at Medina and met the excursionists there. They expected to reach the John Erickson farm, several miles west of Waupaca, in time for dinner. They will view the herds there and then planned to go to Roylston, where they will be entertained at the Christensen brothers' farm.

stations, number one and number two. These cars were added and two teams were kept at number one station and one at number two.

Mr. Kreiss became a mail carrier during the latter part of Cleveland's first administration. He states that it was through Cleveland's efforts that the civil service was established. It was in practice before his term expired but had not become a fixed rule with the department. Harrison was then elected to the presidency and established it firmly.

Gets Back Pay

Cleveland was re-elected after Harrison's term expired and put the finishing touches on the civil service system. He had advocated the eight-hour law but did not put it in force. The republicans did this later. The democratic leader then set about to secure overtime pay for the period in which the carriers served more than eight hours. Mr. Kreiss was one of those who received overtime pay covering a three-year period.

Passing from home to home every day in the year, Mr. Kreiss has seen families come and go. Has seen babies grow to manhood, marry and become parents of a new generation and has always watched the progress of one family interestingly. His personality and position as a public servant has gained him a circle of acquaintance so wide that he can hardly recall them all as he meets the people on the street.

"Once in a while I have some full grown young man stop me on the street and ask me if I don't recognize him," said Mr. Kreiss. "He was usually someone that knew me when he

was a little tot, and I gave him a stick of gum or something that he remembered. They are all grown up now and have families of their own."

Regret His Leaving

All the fellow workers of Mr. Kreiss at the postoffice hold him in high esteem and regret that he is leaving. He was affectionately known about the office as "Pa" Kreiss. A handsome umbrella was presented him by the force on his 30th anniversary as a carrier. They consider it marvellous that he is so alert and able at his age.

"Everyone in the postoffice from the postmaster down will very much regret to see him sever his connection with the department after having been here so many years," said Postmaster Keller. "He has endeared himself to everybody connected with the department."

URGENT VACCINATION AGAINST SMALLPOX

(Continued from Page One.)

suffering and inconvenience, exposure and quarantine, but financial loss to our working young people and to our industries furnishing them employment.

Dépot Needs Attention

"Complaints regarding the unsanitary conditions of the freight warehouse of the Northwestern Railway company and the failure of the company to comply with the health ordinances of the city to install toilets as requested by the health officer compels this board to recommend to your honorable body to take immediate steps under the law to compel prompt compliance on the part of the Northwestern Railway company to install sanitary toilets."

"Regarding communication from the executive committee of the Red Cross regarding cooperation of the city of Appleton and board of health with the health center recently established by this organization, the board of health recommends to your honorable body that the Red Cross be tendered the use of the dental clinic room and dentist's chair in the city hall building for their dental clinic, but that all the equipment remain in the city hall building and not be removed to the health center of the Red Cross."

Remain in City Hall

"Further, that the officers of the city health department remain in the city hall where they now are and that all contagious disease activities be operated and conducted independently as heretofore by the city health department."

The members of the board of health who attended the meeting were Dr. H. E. Ellsworth, Aldermen McCann and Murphy, and Fred Aylesworth, Fred Bushey and J. A. Hawes. The report is signed by J. A. Hawes, president.

GROCERS WANT TO MEET IN APPLETON

New Retail Methods Are Discussed at State Convention in Milwaukee.

Canned goods and everything else formerly sold by the dozen at grocery stores will hereafter be sold in multiples of ten if the plan adopted at the annual convention of the Wisconsin Retail Dealers association at Milwaukee is carried out. Instead of a patron calling for a dozen cans of fruit or two dozen cans of vegetables he will ask

for ten cans of fruit or twenty cans of vegetables. The plan was adopted in regard to potatoes some time ago which now sell in 100 pound lots instead of by the bushel. The new plan has been adopted as a matter of convenience, but it is expected that it will require some time to get people accustomed to the use of it.

In all probability the next annual convention of the association will be held in Appleton. The election of a convention city has been left to the executive board, but Appleton grocers were given to understand that Appleton could have it for the asking, members generally being anxious to be entertained here. Over 200 retailers attended the convention.

R. E. Brega, Jr., is visiting with Mr. and Mrs. John Balliet here on his way from Baltimore to Nebraska.

ELKS TO ENTER FLOAT IN CARNIVAL PARADE

Appleton Elks will enter a float in the Elk state carnival parade at Milwaukee Sept. 7 it was decided at a meeting of the club Wednesday evening. A committee was appointed to make arrangements. About 100 local men are planning to attend the carnival.

At least 50,000 Elks from all over Wisconsin are expected to go to Milwaukee for the huge festival. Contests are in progress to determine the prettiest baby in Wisconsin and also the prettiest girl who will be crowned Queen of the Carnival.

Live Garnet of Sheboygan was a guest at the home of Frank Hammer this week.

DEATHS

WOLCOTT FUNERAL

The funeral of the late James Wolcott was held at 2:30 o'clock Wednesday afternoon from the residence on Day street with the Rev. G. E. Stuckney in charge. The pallbearers were all members of the Grand Army of the Republic, to which the decedent belonged. They were Arnold Wittlin, William Roblee, Benjamin Broson, Dr. Kanouse, James Wing and William Priest. The remaining members of the G. A. R. attended in a body and took charge of the services at the grave. Burial was at Riverside cemetery.

SCHMALZ FUNERAL

The funeral of the late Elmer Schmalz, town of Harrison, was held from St. Mary church, Menasha, at nine o'clock on Thursday morning. The pallbearers were Herman Wolter, John Johann, Frank Merget, Otto Schmalz, Joseph Noe and Earl Hoelsbeck.

Among those attending from out of the city were John Ottman, Antigo; Peter Schmalz and family, Kaukauna; Arnold Schmalz, Ironwood, Mich.; Mrs. Robert Henniger and Mrs. John Attewelle, Milwaukee.

CHARLES DERKS

The funeral of George Derks, who died at his home at Little Chute Tuesday was held from St. John church is survived by his wife and four children, parents and several brothers and sisters.

Shoot Society Meets

The Appleton Schutzen Verein will hold a regular meeting Wednesday, September 1, at Schutzen park. The date for the annual schutzenfest, which was postponed, will be set and other business transacted.

NEWS OF INTEREST FROM COUNTY AND STATE

FORMER KAUKAUNA MAN IS KILLED IN AIRPLANE WRECK

Sam P. McNeill Loses Life When Airship Fails to Complete Stunt.

LITTLE GIRL IS INJURED

Madeline Kiefert Is Run Down by Automobile and Is Badly Hurt.

(Special to Post-Crescent) Kaukauna—Kaukauna people were shocked to learn of the death of Lieutenant Sam P. McNeill, formerly a well-known Kaukauna boy, who was killed at the Carlson aviation field in Florida in an airplane fall. Lieut. McNeill was 24 years old. As far as could be learned, his death was the result of his failure to turn a back spin in his airplane.

"Sam" McNeill attended Kaukauna high school several years ago, and was one of its most popular students. After his graduation here he went to Ripon, from where he enlisted in the marine aviation corps in 1917. His father was pastor of the Congregational church while here. He is survived by two brothers, William and Harold, a sister, Julia, now married, and his parents. The body is on its way to Wauwatosa, where the family now lives, and burial will probably be held there.

Madeline Kiefert, 5-year old daughter of Mr. and Mrs. Henry Kiefert, who make their home with Joseph Belanger and family at 217 Third street, suffered a broken arm and a fractured skull when an automobile driven by Mike Flynn, Hollandtown farmer, struck her about 6 o'clock Wednesday afternoon. The little girl was playing in front of her home with her cousin, a Belanger boy, and stepped off the curb for a moment without seeing Flynn's machine coming.

The right front wheel of the car passed over the girl's body, but Mr. Flynn was able to stop the car before the rear wheel did likewise. A physician found that her right arm was broken above the elbow, and that there were skull injuries. An X-ray examination at St. Elizabeth hospital, where she was taken immediately, showed that she probably has a slightly fractured skull. Her gradual recovery is expected.

Michael Curtin, 52 years old, died at the home of his sister, Mrs. A. P. Bayorson, Doty street, at 5:30 o'clock Thursday morning. He had been working as a construction engineer at Ashland a few weeks ago when he was taken ill and came to Kaukauna. He is survived by two sisters, Mrs. A. P. Bayorson of this city and Mrs. Thomas Doldans of Fond du Lac, one brother, Thomas Doldans, and a half brother, Thomas Doldans. The funeral will be held at 9 o'clock Saturday morning at Holy Cross church.

A large crowd attended the first dance of the Kaukauna Amusement club, at the city auditorium Wednesday night. The Ariel seven-piece orchestra of Neenah, will play.

The Union Bag and Paper company's baseball team will give a tournament game at the city auditorium Thursday evening, August 26. The Ariel orchestra has been engaged.

Eight laborers commenced work Thursday on the installation of the addition on Depot street. The addition covers about 350 feet.

The Kaukauna water department has completed the installation of new water mains in Buchanan, immediately adjacent to South Kaukauna.

Mrs. Gustave Fleck, a former Kaukauna resident, died at her present home in De Pere Wednesday. She is survived by her husband and several children. The body was expected by the Fargo Undertaking parlors here on Friday. Mr. and Mrs. Fleck formerly lived on Lawe street, moving away about 15 years ago. They still own valuable real estate on Main avenue.

Mrs. Davis, wife of a well-known pioneer farmer between Kaukauna and Wrightstown, died at her home Monday, according to information received by her friends here. The funeral will be held at Wisconsin.

Mr. and Mrs. Orville Hansen were Hortonville callers Sunday.

Phyllis Furman returned to her home in Larsen Friday after spending a week with the Martin McDermott family.

MAC DONALD TO SPEAK HERE ON LABOR DAY

A. R. MacDonald of Kaukauna, candidate for congress in the Ninth congressional district, has been engaged as speaker for Labor day by Appleton Trades and Labor council. Senator R. M. LaFollette, who said he was compelled to decline the invitation on account of the condition of his health.

TRY POST-CRESCENT WANT ADS.

NEW LONDON READY FOR SCHOOL START

Few Changes Are Made in Faculty of City's Schools—New Graded School.

New London—Outagamie county will soon be able to boast of a new modern graded school building in the town of Maple Creek, several miles north of New London, in District No. 2 east. The taxpayers met last week and discussed plans for the building, which is to be a two-room structure, of the twenty-nine voters, who attended, twenty voted in favor of the building. The structure will cost about \$15,000 and will be of concrete. The building now being used has but one room and is so old that it will have to be replaced and the district feels that now is a good time to establish a graded school. County Supt. A. G. Mead has been instrumental in preparing plans, residents of the district to erect a new building. The district has fifty-four children of school age.

A. M. Viere, who has resided on West Deacon avenue for several years, has purchased the Gable Cornish property on Smith street, and is moving there this week. Mr. and Mrs. Cornish, advanced in years, have gone to live with their daughter, Mrs. J. Poppy, of Mukwonago, and Mrs. Cornish are pioneers of this city and were married here sixty-three years ago, when New London was but a hamlet.

New London has been fortunate in having but few changes in the teaching force of the public schools, which will open Monday, September 6. Principal David Newberry will remain and the only changes are as follows: English, Mrs. M. Walters of Wausau; English and Latin, Miss Gladys Buckler of DeLu; a sister of Mrs. Dr. F. P. Murphy of this city; history, Miss Marie Kramer of Madison; science and mathematics, E. E. Nelson, domestic science, Miss Beth Davis of Appleton; manual training, J. F. Walters. There will be a school nurse to look after the health of the children. Miss Marion Skinner of Oshkosh has been engaged for this work through efforts of the Red Cross and city council. There will also be two kindergarten teachers instead of one, as in former years. The new teachers in the grades are: English in the junior high, Miss Josephine Faustgen; third grade, Miss Cora Robson; first grade, Miss Ruth Davidson and Miss Norma Dorr; kindergarten, Miss Charlotte Stubbenvoll and Miss Ruth Bruemer, music and drawing, Miss Beulah McComb. The deaf school opens on Monday, August 26, with Miss Carrie Archibald at the head. Principal Newberry is making an attempt to provide a special room for handicapped children, but as yet no definite action has been taken by the board of education. Enrollment in the high school takes place August 20 and 21.

The school nurse who was engaged by the Outagamie County chapter of the Red Cross has completed her year's work and has done some very efficient home service work, as well as among rural and village schools of the county. Schools in the following places were visited: Black Creek, Dale, Hortonville, Medina, Greenville, Grand Coulee, Ellington, Stephenville, Maine, Horton, Hortonville, Buchanan, Center and Bear Creek. The total number of children examined was 1,320. The schools included three high schools, twenty-six graded schools and two parochial schools. Of this number 11.7 per cent suffered from defective eyes; 2.25 per cent had defective hearing; 4 per cent had poor teeth; 5 per cent were undernourished and underweight; 29.8 per cent had no apparent defects.

Reynold Starns, who comes here with his family from Tipton, where he has sold his farm, has purchased the F. King residence on Cook street, for \$4,700 and expects to occupy it soon. He has a position at the Borden condensary.

The course in stenography offered by the Catholic school was so popular last year that it has been decided to open a course in stenography in September for anyone in the city.

After an absence of about nine months, Capt. and Mrs. H. L. James returned to this city this week. Much of their time was spent in Illinois and Iowa. The last two months were spent at Fort Sheridan, where the captain was receiving medical attention. Captain James, who is quite a gardener, found his garden in an excellent condition when he returned to New London to reside indefinitely.

SOCIETY

Woman's Interests

CLUB

CLUB

W. C. T. U. Meeting
The Woman's Christian Temperance Union held a parlor meeting at the home of Mrs. A. W. Priest, 1033 Second street Thursday afternoon. About 55 women heard the excellent program.

Mrs. W. H. Ryan, of the recreation department of the Appleton Woman's Club, gave a splendid talk on "Personal Experiences with Girls." Musical numbers were furnished by the Appleton Ladies Trio consisting of Mrs. E. Dunn, Mrs. Luechers and Miss Maud Harwood; and a duet by the Misses Gladys and Vera Lockery.

The program was followed by a picnic supper which was served on the lawn overlooking the Fox river.

Entertain Co-Workers
A unique and interesting party was given Thursday afternoon in Fond du Lac when Mrs. Joseph Schreier entertained at a dinner at her home a number of ladies who had been associated with her as Petalbone Peabody employees, twenty years ago.

The guests were Mrs. James North, of Milwaukee, formerly Miss Katherine Vedder; Mrs. John Vanduck, of Fond du Lac, formerly Miss Katherine

Entertain At Dinner
The Langstadt-Meyer Co. entertained at a dinner for the heads of the departments at 6:30 o'clock Tuesday evening in the Venetian room of the Sherman House. There were twelve guests from Appleton, Oshkosh, Shawano and Green Bay. The dinner was followed by a business meeting.

Family Reunion
A family reunion was held Thursday evening at the home of Mr. and Mrs. Ernest Techlin, town of Center, in honor of Mrs. William Techlin, daughter Mildred and son Raymond of Oshkosh, Ill., who are visiting here. Musical numbers were rendered and refreshments served. The guests included Fred Keating and family, Central; Louis Kassmann and family, Appleton; Charles Schroeder and family, Appleton; Mr. and Mrs. Edward Huff, Appleton; Mr. and Mrs. John Techlin, Appleton; Mr. and Mrs. Henry Techlin, Appleton.

Yecoman Picnic
The Brotherhood of American Yecoman will hold a district picnic at Ridge Point, north of Kaukauna, Sunday afternoon and evening. Basket suppers are to be served and a dance will be held from seven to 11 o'clock. Mrs. orchestra, Kaukauna, will furnish the music. All homesteads between Appleton and Green Bay are included in the district.

Fond du Lac Wedding
The Rev. Doane Upjohn, rector of All Saints Episcopal church performed the ceremony which united in marriage Miss Eva Alice Paynter of Fond du Lac and John Jarrett Dawson of Bloomfield, Ky., Thursday noon at the home of the bride's parents, in Fond du Lac. The bride was given away by her father, J. Paynter, and the couple were attended by Miss Jessie Paynter, a sister of the bride, and George Dawson, a brother of the groom.

Mrs. Upjohn, and daughter, Dorothy Milo also attended the wedding.

Birthday Party
Little Mary Zebe, 435 Eldorado street entertained twelve little friends at her home from 2:30 to 5:30 o'clock Thursday afternoon in honor of her sixth birthday anniversary. The guests played games until five o'clock when a birthday supper was served. They found favors of paper caps and snappers at their places.

Marriage Licenses
Applications for marriage licenses were made Thursday to Herman J. Kamps, county clerk, by Walter O. Genske and Minnie Swister of Black Creek, and Emil H. Court and Eva A. Smith of Appleton.

Entertain At Cards
Mrs. William J. Schuit, entertained the five hundred club Thursday afternoon at her home at 953 State street. Prizes were won by Mrs. S. Hoffman and Mrs. E. Koss. A luncheon was served late in the afternoon.

Hortonville Dance
A large number of Appleton people are planning to attend the dance at Hortonville opera house Friday night. Music will be furnished by Gibson's orchestra of this city.

Social Well Attended
A large crowd attended the ice-cream social at St. John church Thursday afternoon and evening. The social was given for the benefit of the church by the Ladies Aid society.

Miss Annette Olson of Iron Mountain is a guest at the home of James VanderLinden, Spring street.

A Fordson threshing outfit started work Monday, at the William Schmalz farm in the town of Center.

Mr. and Mrs. Chris Roemer left Thursday for an automobile trip to Chicago.

Miss Rita Kavana of La Grange, Ill. is the guest of the Misses Helen and Josephine Bradford.

Mrs. H. E. Racer of New London, is visiting relatives and friends here.

Eleven Ford cars arrived in Appleton Wednesday night on their way from Detroit to Escanaba. The drivers resumed their journey at nine o'clock Thursday morning and expected to reach their destination early Thursday evening.

Paul J. Jocelyn, of Oakland, Calif., visited over Thursday with his brother Joseph Jocelyn, College avenue. On his return, he was accompanied by Miss Nellie Jocelyn, who will spend six weeks with him at his California home.

Amelia Huth will entertain eight guests at a picnic at High Cliff Park Sunday.

Dr. J. M. Tutt of Kansas City, Mo., will give a free lecture at Lawrence Memorial Chapel, at eight o'clock Tuesday evening, Sept. 7 under the auspices of the First Church of Christ, Scientist.

Mr. and Mrs. Frank Wilford and Dr. and Mrs. Reed of Beloit were guests at the William Newing home, Eldorado street Thursday.

Mrs. William Newing, Eldorado street entertained Mrs. George Reidenbach and daughter, Miss Maud Reidenbach of Green Bay Wednesday.

P. Mullen of Antigo, was here on business Thursday.

Julius Kuske and Albert Rundi of Green Bay, visited in Appleton Thursday.

Miss E. James of Chicago, is spending a month here visiting her parents.

Louis Brill visited friends at Milwaukee Thursday.

George Peotter returned from Milwaukee Thursday, driving a new Reo truck to his brother, Arthur Peotter, at Clintonville.

John F. Rademacher of Sheboygan, visited here Thursday.

E. Howard Layton of Fond du Lac, transacted business here Thursday.

Miss Dorothy Rudeout of Rhinelander, visited friends in Appleton Thursday.

Louis La Pine of Oshkosh, was the guest of friends here Thursday.

F. S. Lockhart of Oshkosh, spent Thursday here.

Clarence Pfeiffer of Chilton is spending a few days with his grandmother, Mrs. S. Pauly, Sherman place.

A. J. Pfeiffer of Chilton was in Appleton on business Thursday.

A dance will be held at Little Chute Friday evening. Stecker Bros. orchestra will furnish the music.

A MEDICINE OF MERIT

A proprietary medicine, like everything else that comes before the public, has to prove its merits. The law of the survival of the fittest applies in this field as in others. The reason for the tremendous success of Lydia E. Pinkham's Vegetable Compound is because it has been fulfilling a real human need for forty years, so that today thousands of American women owe their health and happiness to the marvelous power of this famous medicine, made from roots and herbs—nature's remedy for woman's ills.

THE AUTUMN HATS

Are Truly Beautiful

It seems as if the designers of this season's millinery actually dreamed these beautiful creations. Wonderful blending of colors, sensible shapes, together with exquisite trimmings feature the unusual display.

No longer need we hear the stereotyped expression: "Honestly I cannot find a Hat that suits me." Selection is merely a matter of finding something that harmonizes with your ideas—and that should be comparatively simple with our large, but unusual stock.

Vogue Millinery

895 College Avenue Phone 328 Appleton, Wis.

Advance Showing and Sale of

Coats and Suits for Fall and Winter

SATURDAY'S exposition of cool-weather garments is an index to the fashion thought of the world and a tribute to the thorough workmanship of American makers. We feel that our selections have brought us models, that are in every way as desirable as you might find anywhere in the land—as sure in point of stylishness, as evident in point of quality, and without peer in point of value. You will not need to look beyond this store for exactly the garment to fit either your fancy or your purse.

Coats

Fabrics chosen not merely for show but for tailoring qualities that insure enduring shapeliness and intrinsic qualities that mean long and profitable wear. The silk linings are quality linings and exquisite to a degree. Where furs are used they are of carefully selected quality.

Suits

The variety runs from severely simple tailor models to elaborately embroidered, fancifully cut and richly fur trimmed styles meeting every need and every purse.

We diligently sought—and found—that unmistakable quality in material and workmanship without which there can be no real value.

In both coats and suits we can fit perfectly not only those of regular build but the very large and the corpulent; the undersized woman and the girlish figure.

Appleton Women Wear Only Best Silk Stockings

Appleton girls and women are wearing better grades of silk hose than ever before according to the sales ladies of the city. There is a decided increase in sale of silk hosiery in last year. According to head of the hosiery department at the Glendens-Glad, the Appleton girls are buying the three-dollar stockings today. On the other hand, if a girl doesn't buy the highest grade of silk, she prefers the use of the cheaper grade. Buyers do not seem satisfied with a cheap silk stocking. Sales consist mostly of one pair at a time. The girl who is coming her own time invariably selects a fine grade of silk hose, rather than a cheap one or a pair.

Miss Edna Mori of Pettibone's states that the best grades of black and white silk move most rapidly. "We've sold loads of stockings. Every body is buying silk hosiery. People seem to be anxious to get rid of their

money. We sell both in large lots and in small lots," said Miss Mori.

Silk hose are among the biggest sellers at Green's Dry Goods store, according to Miss Ellen Malone, head sales lady in the hosiery department. "We are selling better grades than last year, and we also have a much larger stock. We buy more and sell more." According to the sales girls at Green's, the working girl buys the best hose to be obtained.

The Fair store has found that many married ladies are wearing lisle hose, although silk hose of all grades are having a great sale. Hose move in lots of one pair at a time according to Miss Emily Luttwig.

All the stores agreed that the sale of silk hosiery has greatly increased in the last year, and black is the best color, and that people will not go back to hosiery extensively.

OHIO ALL ASTIR WITH POLITICS

Appleton Woman Finds Feminine Voters Preparing to Enjoy Ballot.

"Both the men and women of Ohio think politically more in terms of personalities than party principles," said Mrs. B. W. Wells, who returned early in the week from a several weeks' stay in Columbus, Ohio, the center of the state's political activity. "It is quite natural that they should, because they or their friends know the candidates or know things about them."

Mrs. Wells observed that the women of both Harding and Cox took place at their homes in Marion and Dayton. She stated that there were many currents in the air which would be the political wind blowing in Ohio.

"I was especially interested in the part that women played, as these demonstrations gave them more opportunity to express political preferences than we have in Wisconsin," she continued. "Women are lining up with women's organizations rather than with husbands and fathers. This is a challenge to our women to see that members of their organizations have opportunity to hear the issues of both parties. Their constituents should not be swayed by political preferences."

"Columbus is talking about organizing citizenship classes for women," she continued. "I was pleased to tell them that we already had such a class with an able leader in the civic department of our Women's club and that I was confident that this opportunity would be extended to every woman of the county."

Mrs. Wells was impressed with the great economic waste in the formalities of a political campaign. Thousands of men and women came to Columbus, Marion and Dayton. She believed that private business must suffer losses when such large delegations leave everything to pay their respects to candidates and campaign managers and

make their wants known. She thought Columbus was in need of an emergency pass hand to meet the trains bringing in these numerous aspirants.

"I was greatly amused when a train on which I was riding stopped at Marion," said Mrs. Wells. "What you saw of the city from the car window was a picture of a place about the size of Appleton. Some of the men were stuck their heads out of the window and asked pertinent questions such as 'Where's Harding?' On his front porch. There were many of the townspeople about the depot and they were certainly talking with pride."

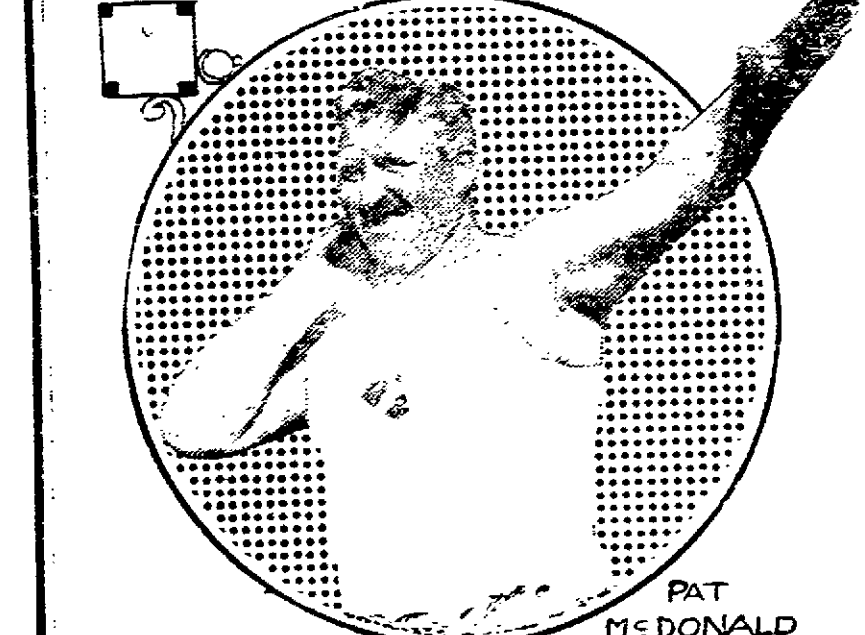

"It was amusing to hear the character sketches of Mr. and Mrs. Harding and Mr. and Mrs. Cox, especially by people who knew them personally. Mr. Harding was generally depicted as a fine, genial old man who wouldn't hurt anybody's feelings and would agree with everybody. Governor Cox is known as an aggressive young business man who has accomplished splendid things for the state of Ohio."

Mrs. Harding is widely known for her stability of character and good judgment. Mrs. Cox is a faddist who, as the wife of the governor, is conspicuous in society events. Her husband is taking moving pictures and whether deservedly or not, she is the object of unfavorable criticism.

"Women are doing and saying some foolish things politically," Mrs. Wells continued. "Unless they are students of these questions, they are unable to advance logical arguments for or against the league of nations or any other campaign issue. They are lining up for what they are told rather than what they think, because of lack of information. They are bound to make the coming election the most uncertain in the history of our country. We can only hope that a kind Providence will recognize that we are infants in this game as compared with some men, and that we need time in which to learn. Of course men are also having their qualms of political unrest in this campaign. There are some good democrats who would like to see the mule kick in some other direction or a change."

"P. D. Q. has meant 'gone on picnic' for some time past, but there are some good republicans in Ohio who are beginning to feel that it means 'get off the porch.'"

NOT A PERFECT "36", BUT PERFECT JUST THE SAME

Works Easy

New York.—The most perfect form in America is that possessed by Pat McDonald, the New York policeman who represents America as a weight thrower in the Olympic games.

In every respect according to physicians, athletic trainers and coaches who have examined him, the upper part of McDonald's body is the most perfect of any man's in America.

Hours of Training

In spite of the fact that McDonald has spent hours every day developing the muscles of his back and shoulders, they do not appear over-developed and the muscles themselves, instead of being great bulky knots, are as soft and pliable as those of a child. As the steel springs in them can be bent in any direction, they are never fatigued.

My muscles never developed as supple as McDonald's physique. These of some weight throwers and say that his torso is decidedly one, prize fighters do sometimes," says of the most remarkable they have ever examined.

FLAMING, ITCHING SKIN DISEASES

Cause Untold Suffering That Could Be Avoided.

If you are afflicted with eczema, tetter, erysipelas, ringworms, pimples, acne, caly eruptions, boils, irritations of the skin, or other similar disorders, you need not expect any real relief from local applications, and the sooner you discard their use the sooner you will be on the road to recovery, provided you will rely upon the use of S. S. S.

S. S. S. is one of the most satisfactory remedies for diseases of the skin because it goes direct to the seat of the trouble, and by cleansing the blood of all impurities and disease germs, it keeps the skin free from infection, and restores it to its normal healthy condition.

FOX VALLEY HAS MANY ADVANTAGES

Appleton Can Make This a Great Empire, Chamber of Commerce Man Says.

(This is the fourth of a series of articles by Hugh G. Corbett, secretary of Appleton Chamber of Commerce.)

By Hugh G. Corbett

This Fox River Valley of ours will be as great as we make it—and no greater.

It takes two things to make a great country—rich soil and industrious people.

The soil may be rich but if there is a shiftless, inefficient people living on it, they will not make much out of it. We may have good people, but without a productive soil we cannot develop a great country.

James J. Hill said: "Land without people is a wilderness; people without land is a mob." A desert has no homes, no schools, no churches, no people—it is a wilderness. Russia is overrun with mobs—people without land.

We must not forget that every morning the world wakes up hungry and that the one-third on the farm engaged in agriculture must feed and clothe the two-thirds engaged in lumbering, mining, manufacturing, transportation, and the other trade and professional occupations.

Wheat, corn, oats and hay, beef, mutton, pork, poultry, and dairy products—these are the great and permanent builders of our country. There is but one true road to lasting prosperity, and that road leads to the farm.

This great Fox River Valley with its thousands of acres of fertile land is ours. What will we do with it? Let us make a great Fox River Valley Empire. We can do it if we lay aside all self interest and petty jealousies and cooperate. To do this will mean work, more work, and then more work, but the result will be worth the effort. "Let's Go."

C. A. PARDEE SELLS COLLEGE AVE. PROPERTY

C. A. Pardee, Sr., has sold his property on east College avenue, formerly the Tanner property, to C. A. Fourness, who is connected with the Kimberly-Clark company. EXPRESSMEN SOON TO GET INCREASE

Monthly Payroll of Appleton Office Will Jump \$400 September 1.

About \$400 will be added to the monthly payroll of the American Railway Express company here as a result of the recent wage increase. Eleven

IT'S UNWISE to put off to-day's duty until tomorrow. If your stomach is acid-disturbed take

KI-MOIDS

the new aid to digestion comfort, food. A pleasant relief from the discomfort of acid-dyspepsia.

MADE BY SCOTT & BOWNE

MAKERS OF SCOTT'S EMULSION

en employees are affected by the decision of the United States Railroad Labor Board.

The percentage of increase will be about 40 per cent and will date back to May 1, 1920. It will mean an average of \$34 a month added to the present wage of the drivers. The new scale will not be paid until after September 1, but orders received by W. N. Kimball, local agent, stipulate that each is to receive a check for the increase for each month from May 1 to August 31.

The business of the express company has grown continually. Mr. Kimball states, in spite of the impression that the parcel post system is making inroads on this form of transportation. There were only a few months in the last 10 years when any slump was shown. The Appleton office now handles the largest volume of business on record and was recently obliged to add another clerk. Five wagons now handle the daily delivery.

The company is not planning to substitute motor trucks for horses in any cities except those requiring enough trucks to maintain a garage with a competent repair man in charge. They find that the cost of upkeep after the first six months is in excess of the horse drawn vehicles unless the trucks are constantly kept in the best of condition.

I feel like a different person since Resinol cleared away that skin trouble

"I had suffered from eczema so long I didn't believe anything would overcome it, but the first time I used Resinol it stopped the itching, and now my skin is entirely clear."

This is the experience of thousands who have used Resinol and found it gentle, healing and entirely safe. Resinol cures all skin troubles. *Atadegre.*

Are the Best Tires too good for the Small Car Owner

EVERYBODY agrees that it is generally desirable for merchandise to be graded.

A good principle that often comes out at the wrong end for the car owner—the man with the upkeep on his mind—the tire bills to pay.

He feels that tire economy should be a *personal contract with the tire-user.* Not a transaction with his car, whether it be big or small.

Reasoning tires in human terms instead of trade custom has written this policy for the United States Rubber Company—

Build *all* tires to one *standard* and let the tire user choose his own size.

When the oldest and largest rubber manufacturing concern in the world focuses all its resources upon *one* grade, *one* quality, it makes *one* client—and that is the *whole public.*

This single ideal is visible in any U. S. Tire factory, at any U. S. distributing branch, in any U. S. dealer's store.

Seeing that the tire-user gets his *economy mileage* along with an *unlimited guarantee.*

Policies are harder to make than tires.

Probably the deepest reason why U. S. demand keeps always ahead of the number of tires the U. S. makers can supply.

TAKES COURSE IN COMMUNITY WORK

Mrs. B. W. Wells Trains in Civic Summer School at Columbus, Ohio.

Mrs. B. W. Wells, executive secretary of the Home Service section of the Red Cross, returned Tuesday from Columbus, Ohio, where she had spent the summer in a course of training in peace time Red Cross work at the Ohio State University.

The courses were conducted by the university and the American Red Cross to train men and women of executive ability for the new program of community work which is to be the function of the Red Cross from now on.

Mrs. Wells spent Monday and Tuesday in the Central Day or office of the Red Cross at Chicago, where she gave information about the course and her experience to the division executives and field workers.

Three main courses were presented during the summer school session. The first was designed to meet the needs of executive secretaries and chapter managers. It dealt with organization, membership, finance, publicity reports, case work and office management.

The second was for rural community organizers. Two Ohio counties, Clarke and Muskingum, were studied. The former has operated a peace time program successfully for nearly a year. It engages in community organization, public health nursing, home economics, hygiene instruction, case work, and general information service.

Mrs. Wells spent a week observing the various kinds of group activities in the townships of this county.

Courses in rural facilities, rural sociology and rural organization were studied in Muskingum county. A social survey, similar to the one taken in Orangeburg county, has been taken there. The findings had been analyzed and a program of work recommended for the county.

The third course was for organizers and executives of city social work and was conducted by four of the county's experts on social resources of city community, educational, publicity and social service.

Case working and planning personnel in the various courses included some of the leading college men and women workers from all parts of the country.

B. W. Dittus was in Appleton on business Wednesday.

ERMINE AND CHINCHILLA ARE LEADING WINTER FURS

New York.—Not December but August, as most women have come to know, is the time to purchase winter furs. Of course, there are no shops or furriers now, but there is usually a good assortment from which to select.

Dorothy Cummings of "Icicles of Clay" has posed for us in two luxuriant fur coats which show the general lines to be in vogue. One coat is of ermine trimmed effectively with the tails of the pretty animals, and gives a huge shawl-collar of sable. The second model is of chinchilla with a deep collar of its own fur. Each of the two makes an admirable evening gown, and each can be worn straight or in wrap effect.

For daytime wear seal, as for many seasons, will be a first choice, both trimmed and untrimmed, and while the tendency is distinctly toward the three-quarter and full length, the sportier coats of last year will continue in vogue. If only because those who acquired them will insist upon getting another year's wear, at least, out of them.

FRIENDS COMMENT ON CHANGE IN HIM

MILWAUKEE MAN GAINS 25 POUNDS AND FEELS LIKE NEW SINCE TAKING TANLAC

"It is not wonderful that everybody notices the change in me, for since taking Tanlac I have actually gained twenty pounds and feel like a new man," said P. D. Odell, of 217 8th street, Milwaukee, Wis.

"For years I suffered with stomach trouble and rheumatism," continued Mr. Odell, "and for months I was in a very bad fix. I lost my appetite and what little I did eat formed gas on my stomach that bloated me up, causing shortness of breath and sharp pains around my heart. All of my joints ached and I was so stiff and sore I couldn't do a thing without suffering agony. When I stopped over my back felt like it would break and it was all I could do to get up and down the stairs. I never had a good night's rest and was just worn out and felt bad all the time."

"I saw in the papers how Tanlac was helping others so I decided to try it myself and I commenced to improve before I finished my first bottle. My appetite returned and I can now eat anything without one bit of trouble afterwards. My rheumatism has entirely disappeared and I sleep like a king each night and wake up feeling fine. I feel as well as I ever did and I will have a good word to say for Tanlac."

LAY CORNERSTONE FOR NEW BEAR CREEK CHURCH

(Special to Post-Crescent.) Bear Creek.—Pat Lowmyer was a Clintonville visitor Tuesday.

Dr. and Mrs. J. M. Sattler and family were Clintonville callers Tuesday. The cornerstone of the new church building for St. Mary congregation was laid with very impressive ceremonies Monday.

Bishop Paul P. Rhode of Green Bay, assisted by priests of neighboring parishes, conducted the services.

People from Hortonville, New London, Lebanon, Clintonville and Helena, in addition to the whole congregation, were present for the occasion.

An eloquent sermon was delivered by the bishop, who complimented St. Mary congregation and its pastor on erection of a place of worship.

After the religious ceremonies a dinner was served.

Mr. and Mrs. A. W. Kisselhorst were at Manitowoc for a Sunday visit with relatives.

Mrs. E. J. Long was a New London caller Friday.

Mr. and Mrs. D. R. Clark autoted to Lebanon Sunday.

Mr. and Mrs. T. E. Gough, Loy, Leonard and Evelyn Murphy autoted to Waupaca Sunday for an outing at the lakes.

Mrs. Phil Dempsey returned to Linden Tuesday morning, where she is employed as a nurse.

Ralph Cook of Marinette is visiting at the James Halloran home.

Clifford Roman and Kenneth Irvine

of Monaca attended the dance here Friday evening.

Mr. and Mrs. F. L. Penney, Claude and Howard Penney of Waupaca and Miss Clara Price of Appleton were Sunday visitors at the Charles Penney home.

Miss Mary Beauvais of Green Bay is visiting relatives and friends in the village and vicinity.

Miss Katherine Dempsey returned Monday from a visit with relatives and friends at Huronwood and Monaca.

Mr. and Mrs. F. M. Hyde of Clintonville were in the village Friday.

Mrs. Jesse and daughter, Hazel, of Rhineclander visited Mr. and Mrs. C. G. Ballhorn last week.

Mrs. Fred Potter and Mrs. Will Kateske of Black Creek were Sunday guests of Mr. and Mrs. Charles Penney.

Celia Laughlin, Adeline Schaller, Mike and Alice O'Connell, Merton McDermitt, Matt and Mary Gorman and Lizzie Dolan of New London attended the dance here Friday evening.

M. F. Clark is visiting his brother, who is seriously ill at Milwaukee. From there he will go to Chicago to visit relatives.

Mrs. M. Strong of Soperton is visiting relatives in the village.

Mrs. E. J. Long, Mrs. Walbrath, Mrs. O'Brien and Sisters Nicola and Joan spent Wednesday at the lakes at Waupaca.

Mrs. P. Jardee of Star Prairie is visiting her sister, Mrs. James Halloran and daughter, Pearl, of Ogdensburg spent Sunday at the C. Penney home.

The Misses Genevieve Werner and Helen Gaynor and Frank Hertel of

Mackville were Sunday guests of Mr. and Mrs. Dan Clark.

Mr. and Mrs. Gust Naze of Jamestown, N. D., are visiting relatives and friends in the village.

Miss Vivian Penney returned from a week's vacation at Oshkosh, New London and Ogdensburg.

Mrs. M. Stevens and daughter, Elizabeth returned to their home at Monaca after a visit with relatives. Mr. and Mrs. Charles Penney, Llewellyn and Claude Penney autoted to Clintonville Sunday.

Miss Lena Laux of Clintonville spent Friday with Miss Evelyn Theobald at New Franklin home.

Misses Maude McGinty and Margaret Hegner and Patrick McGinty autoted to Suring Tuesday.

The Rev. C. Rupp is visiting his relatives at New Franklin home.

Miss Matilda Stoegebauer of Appleton is visiting her sister, Miss Mary Stoegebauer.

Miss Epsdesky of Lebanon visited Mr. and Mrs. Stoegebauer Monday.

Mr. and Mrs. P. C. Bates and family and Miss Katherine McKone autoted to Clintonville Tuesday.

Charles Sullivan of Marshfield spent Wednesday at the McGinty home.

Mrs. St. John entertained her parents, Mr. and Mrs. Hasler, of Scandinavia Sunday.

Mrs. Mike Laux and daughter, Mildred, of Clintonville were callers at the Napoleon Theobous home Friday.

Mr. and Mrs. Frank Schoenrock and

daughters, Isabell and Virginia, visited at the Charles Penney home Monday.

Mr. and Mrs. Charles Hoffmann were Monday visitors at the P. C. Bates home.

Miss Margaret Hegner went to Marshfield Wednesday for a few days' visit with relatives.

Mrs. St. John and son, Ellsworth, spent the last week visiting relatives at Scandinavia.

Mrs. T. Schindler entertained her sister from Beaver Dam the first of the week.

Mr. and Mrs. Ed Richardson and family took the Arthur Wied family to their home at Plainville last week. While there they visited at the Dells of Wisconsin.

Beatrice, Helen and Clarence Darling and Lizzie Dolan were at the lakes at Waupaca Sunday.

U. S. WARSHIPS AID YANKS AT DANZIG

Dispatch of American Ships to Free Port Is Regarded as Significant.

Washington, D. C.—What may be the first step of the United States in carrying out its announced policy of aiding Poland by "all available means" if the independence of that country is threatened by the Russian bolsheviks was taken today when Secretary of the Navy Daniels ordered the cruiser St. Louis and six destroyers to proceed from Cherbourg, France, to Danzig, the free port of Poland.

Announcement also was made that the cruiser St. Louis and six destroyers had been ordered to aid the United States naval force in the Mediterranean.

A precautionary measure Secretary Daniels said the warships were sent to the Baltic merely as a precautionary measure and to protect

Merchant Financial Wreck

"I am a financial wreck because of the expense of doctors and medicine for my wife. She has been a chronic sufferer for 10 years. Some pronounced it gall stones, some gastritis and some intestinal inflammation. I happened to read an ad of Harr's Wonderful Remedy and from the first dose my wife has steadily improved. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. —Druggist's Everywhere" adv.

E. J. HERRMANN

WANTS COURT TO REVERSE RULING

Employer Disclaims Treble Liability Because Workman Falsified Age.

Madison—Complaining that certain clauses of the workman's compensation act are unconstitutional because they deprive him of his constitutional and common law right to a trial by jury, and because they make an unjust classification of employers, W. H. Donner, president of the Cahoon iron mine at Baraboo, has appealed to Judge Stevens of the circuit court to reverse the decision of the industrial commission in the case brought against him by John Victor Johnson, formerly a minor employe in his mine.

Johnson was injured in the mine March 21, 1919, and applied for treble compensation, alleging that he was under 18 years of age when hurt. Compensation amounting to \$1,345 was allowed.

Mr. Donner in his appeal states that Johnson gave an untrue statement as to his age when seeking employment, that his company had always refused to employ minors, and that subsequently he should not be held liable for the payment of treble compensation. He asks the court to find that the commission's decision was made in excess of its powers and that the award be limited to single compensation.

Mrs. Alvin Surig of Milwaukee is spending a two weeks' vacation with her parents, Mr. and Mrs. J. E. Hertel.

BIG BOWLING SEASON PREDICTED THIS YEAR

A busy bowling season is looked for when fall arrives. Some of the bowling alley proprietors are already looking forward to the organization of several leagues, but none has resumed definite shape.

Experts from the Brunswick, Balke, Collender factory will be in Appleton within a week to overhaul the Arcade alleys. They will be scraped, refinished and polished. A. T. Jense, proprietor, said he anticipates more bowling than ever before. The alleys will probably open the middle of September.

ORDER NEW RAILROAD DEPOT AT WATERLOO

Watertown—A new railroad station is to be built at Waterloo by the St. Paul Railroad company, at the order of the state railroad commission. City officials and business men of Waterloo recently requested this action, when they presented evidence showing the unsanitary condition of the old Waterloo depot. The commission ordered that another waiting room, providing separate quarters for women, sanitary toilets and platform extensions be included in the building. Oneida is to be a car lot or exchange station between the St. Paul and Northwestern railroads, on order of the commission.

Sewer Machine
The sewer trenching machine for the R. J. Wilson company arrived from Madison Tuesday morning and will be pressed into service at once on the new sewer on Lawrence street which is to run from Mason street to the old fair grounds, a distance of over 2,000 feet.

BOY OF EIGHT URGED AS KING OF NEW "TRIPLE" NATION

Prince Francis J. Otto, eldest son of ex-Emperor Charles of Austria-Hungary, is being urged by monarchist propaganda in central Europe for ruler of a new nation composed of Bavaria, Hungary and Austria. He is 8 years old and wears curls. If the "triple" nation idea fails Hungarians may attempt to install him on the throne of that nation alone.

EXPECT RECORD CROWD AT NORWEGIAN OUTING

Eau Claire—Plans are being made for an attendance of 1,500 to 2,000 at the picnic at Irvine park, Chippewa Falls, August 29, of the Sons of Norway and their families, from Eau Claire, Chippewa Falls, Rice Lake, Stanley and neighboring towns. Eau Claire will send 500 members and their families.

Judge T. O. Gilbert, Willmar, Minn., grand president, Sons of Norway, will

EAGLE RIVER LOSES VALUABLE SAWMILL

Eagle River—Fire Saturday destroyed the McKenzie sawmill located on the Eagle river. It had not been operated for several years, and is supposed to have been set on fire by boys playing nearby. The building and machinery were a total loss. Sunday the boiler room of the Eagle River lumber company's sawmill on the north side of town was struck by lightning, resulting in a blaze that destroyed that part of the mill. A concrete fire wall between the boiler room and main mill saved the rest of the structure. Owing to the light material used in construction of the burned part, no damage was done to the boilers and engine, and operations will be resumed in a few days.

Tennis Players Meet

Appleton tennis enthusiasts who are interested in plans for the city tennis championship, are invited to meet with the tennis committee of the Y. M. C. A. at eight o'clock Thursday night in the office of R. H. Starkey. Arrangements for the city tourney will be made at that time. The title matches will probably be held about the middle of September.

A Simple Way To Remove Dandruff

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

Caring for Baby During Hot Spells

Be watchful of food and keep bowels open with Dr. Caldwell's Syrup Pepsin.

THE young mother soon learns from experience that summer days are often days that try her patience. The heat makes baby peevish, restless and cross. Foods that in colder weather were easily digested, now seem to cause distress.

Whether the milk or the gruel is at fault, see that the bowels move regularly. There is nothing that creates greater discomfort in the summer than constipation. It heats the blood and causes nervousness, headache, fever, colds and a host of minor ills. In these little ailments it is always well to suspect constipation and give half a teaspoonful of Dr. Caldwell's Syrup Pepsin. It is a combination of simple laxative herbs with pepsin, and the most ideal medicine you can give a baby. It is mild and gentle in action, never grips and tastes good.

FREE Millions of people of all ages suffer from occasional or chronic constipation. Let them send name and address to Dr. W. E. Caldwell, 112 Washington Street, Monticello, Ill., for a free sample bottle of his wonderful Syrup Pepsin. 8 million bottles were bought at drug stores last year, the largest sale in the world.

For Dependability—RED CROWN GASOLINE

Sparta Condensed Milk Co. Uses It Exclusively

Note Mr. Ball's Letter

Standard Oil Company, Sparta, Wisconsin.

Gentlemen:—

We have been using Red Crown Gasoline for some time and have always found it to be dependable, power-giving gasoline and has always given us good results as used in our field car and trucks.

Yours truly,

SPARTA CONDENSED MILK COMPANY,
Mfg. of Carnation Brand Evaporated Milk.
(Signed) H. G. Ball, Sup't.

Every drop of Red Crown Gasoline sold in Milwaukee is of the identical standard as the gasoline furnished the Government.

It not only is impossible to buy a better gasoline, but with present day knowledge it is impossible to make a better gasoline.

And because the Standard Oil Company (Indiana) manufactures and sells its own product you get this superior motor fuel at a minimum rate.

Red Crown not only is economical in price, but gives the maximum of mileage. Red Crown starts easily, gives quick get-away, smooth acceleration, and tremendous power and speed.

Buy Red Crown at Any Standard Oil Service Station and at Most Garages

MARK CATLIN WAS STAR IN THE 1904 OLYMPIAD

Few Appleton people know that Atterbury Mark Catlin, former coach of the Lawrence college football team, was one of the big stars in the Olympic games of 1904, held in St. Louis. This was the only Olympic contest ever held in America.

Mr. Catlin then a student in the University of Chicago won the 100 meter race, the 200 meter low hurdle and took second place in the discus throw. His splendid showing was

largely responsible for America's great record in that meet. Mr. Catlin has three medals from the Olympic committee attesting to his ability as a track and field athlete. He was one of the best track men the University of Chicago has ever had and he also excelled in football, leading the team which defeated the University of Michigan by a 2 to 0 score in one of the most grueling battles of gridiron history.

WALTMAN'S

RUTH HITS HOMER, BUT INDIANS WIN

League Leaders Make It Two
Out of Three From New
York Team.

New York.—Cleveland made it two out of three by defeating New York on Thursday, 5 to 2. The game was slow despite the fact that it was a pitching duel between Caldwell and Shawkey. Babe Ruth made his forty-third home run of the season in the fourth inning, hitting the ball over the right field stand.

Leonard Blanks Beats Boston.—Leonard held Boston to three hits on Thursday and Detroit won the final game of the series, 4 to 0. Detroit hit Bush hard, but two double plays helped materially to keep down the score.

Reds Tighten Hold.—Cincinnati.—The Reds strengthened their hold on first place in the National league race by beating Brooklyn their nearest rival in an exciting 13-inning game on Thursday, 5 to 2. Reuther and Grimes pitched shutout ball for seven innings. In the eighth Brooklyn scored two runs when Miller doubled, was safe at third on Reuther's slow handling of Grimes' bunt and scored on Johnston's single to center which also scored Grimes who had stolen second. With two out in the last half of the inning the Reds tied the score in a single by See who batted for Reuther, a double by Groh and a passed ball by Elliott. Grimes was exhausted by the extreme heat and was relieved by Cadore after ten innings.

Martin Blessman, for many years a shoemaker here, left Friday noon for the east. He will leave soon for an extended visit to Europe. Mr. Blessman will travel through Holland and afterwards plans to stay for a few weeks with his daughter in Hamburg, his native city.

"Back to School" means new clothes for your boy

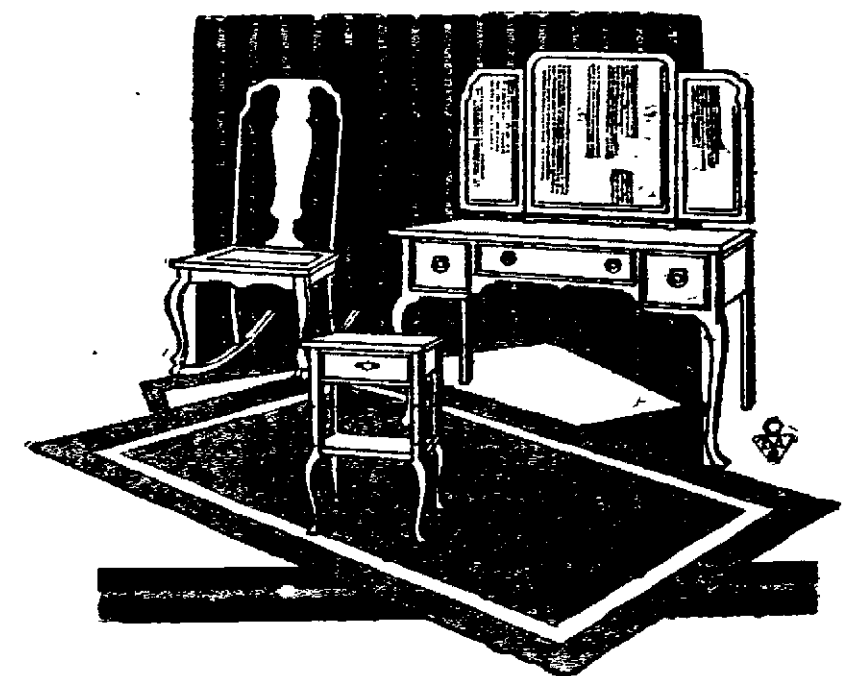

"Back to school" never has a very pleasant sound to the boys. But going back is much easier if there's a stylish new suit to be shown to the other fellows.

There was a time when boys' clothes didn't cost much. So little money was involved that parents didn't worry much whether clothes lasted or not.

But now since everything costs more, boys' clothes represent a substantial investment. Parents have got to see that their boys get good clothes that wear if they are going to get their money's worth.

The new Fall styles are here and the boys are going to like them; we'll show you any day.

*What Girl Wouldn't Love A
Dressing Table Like This One?*

When one stops to consider the amount of time a girl spends in her room, it seems strange that any girl should be satisfied with ordinary furnishings when there are so many handsome pieces to be had.

A dressing table like the one pictured here is not only handsome and a great addition to any room, but it is also something that is very convenient.

The triple mirrors make it easy to see the hair from all sides and there is room enough to place the numerous articles which a girl likes to have around.

We can show you a number of handsome dressing tables at very reasonable prices as well as other fine pieces for the bedroom.

THE PHONOGRAPH YOU WILL WANT

Official Proceedings

Council Chambers, Appleton, Wis.,
August 18, 1920, 7:30 p. m.
Council met pursuant to regulations.
Mayor Hawes presiding.

Roll call: All Aldermen present.

Reading minutes of previous meet-
ing was upon motion dispensed with.

The Committee on Finance reported
that they had examined accounts from
No. 523 to 527, inclusive, in the sum of
\$5,116.61, and recommend that same
be allowed as charged.

Resolved, that the report be adopted,
the accounts allowed and the clerk in-
structed to draw orders for the several
amounts.

On motion to adopt, the ayes and
nays were called. All Aldermen voted
aye, adopted and so declared.

The following application for a
L. Simon, O. Friedman, S. Simonopolski,
S. Shilohat, S. Cohen, Leiss Iron &
Metal Co., B. Cabot, A. Kaminski, I. H.
Greenberg, and I. Bachall.

Upon motion the applications were

approved and clerk instructed to issue
licenses.

Agreement of Carr & Hansen, for
parking space, was presented and ac-
cepted.

Petition for sewer in Fremont street,
Petition for cinders on Appleton street,
Communication of Wm. Schmiede and
agreements for parking places, were
referred to the Committee on Streets
and Bridges.

Report of Fire Chief on Chief's Con-
vention was read and ordered filed.

Resolved, that the Chief of the Fire
Department, be and is hereby in-
structed to purchase the necessary
plates to restore the battery system to
proper working order.

On motion to adopt, the ayes and
nays were called. All Aldermen voted
aye, adopted and so declared.

Communication of the Health De-
partment was presented and ordered
filed.

The Committee on Streets and
Bridges reported and recommended as
follows:

That Parkhurst street from Brew-
ster street north be graded.

That walk in front of lot 9, block 31,
Sixth ward plat, be put to grade.

That the brick pavement on Lake
street, from Draw Bridge to Lake
Street Bridge, be dressed with tarva.
That the salary of the bridge tender
be placed at \$34 per month, beginning
August 16, 1920.

On motion Council adjourned.
E. L. WILLIAMS,
City Clerk.

That the specifications for cinder-
ing Sherman place be adopted and the
work ordered done.

That a cement curbing be placed in
Sherman place, said work to be done
during season of 1921.

Resolved, that the report of the Com-
mittee on Streets and Bridges, bearing
date of August 18, 1920, be and is here-
by adopted and recommendations con-
curred in and said work ordered done
according to said report.

On motion to adopt, the ayes and
nays were called. All Aldermen voted
aye, adopted and so declared.

Resolved, that the specifications be
adopted and the work ordered done
and that the estimates as presented be
adopted and declared to be the amounts
chargeable and assessable to the sev-
eral pieces of property abutting said
street so to be improved.

On motion to adopt, the ayes and
nays were called. All Aldermen voted
aye, adopted and so declared.

It was moved and carried, that the
Committee on Public Grounds and
Buildings, be instructed to procure an
architect to draw plans and specifica-
tions for a fire engine house in Fourth
ward.

On motion Council adjourned.
E. L. WILLIAMS,
City Clerk.

FORMER RESIDENT VISITS SCENES OF HIS YOUTH

Seth Wood, who resides at Everett, Wash., but has his business interests at Seattle, is visiting Appleton friends after an absence of fourteen years. He is a guest in the family of his son, John Wood, State street. Mr. Wood says that the lumber industry in the west is booming and that there is an abundance of work for everyone. He still follows his trade as a painter and says that he pays his men one dollar an hour for an eight hour day. Common labor is paid \$5 per day. The price of provisions and groceries with the exception of butter which sells at 55 cents per pound, is about the same as in Appleton. Mr. Wood says that Washington has been filled with tourists the greater part of the summer. He hardly recognized certain parts of Appleton on account of the many new buildings that have been erected since he left here.

After a Dip you'll say it's great to "Whistle".

STATE ROAD IS TO BE IMPROVED SOON

Street Department Has More Work Than It Can Take Care of Now.

C. F. Wedger, street commissioner, said Thursday that State road between College avenue and Second avenue is to be improved, as well as Second avenue and Maple Grove street, each of which require more urgent attention than State road. The street department has more work than it can handle at present. For the last two weeks the street commissioner has had his entire force on bridge work, which was finished Monday. At present the department is engaged in cleaning Rankin street from Pacific street to Commercial street.

The placing of tarmac on the concrete block pavement on Lawrence street from ravine bridge east to the old street, and on Oneida street from Lawrence street to College avenue was completed Wednesday. The paving of the old Lawrence street, which extends from Market street west to the old fair grounds was completed Thursday morning. The bridge on South Island street has been repaired by Kimberly-Clark company and is again open. The repairs included new stringers and a new floor.

Louis Thelen, Barbara Jones and Lillian Mautzsch arrived in Appleton Sunday. Mrs. Besse Jenkins and children and Miss Irene Due left for Birchwood last week.

What Does Wash Day Mean To You?

Does it mean drudgery that is tearing at your health as well as the happiness and joy in your home?

Does it mean wearing your life away on the family washing, or fretting over laundry bills and laundresses, so hard to get?

Does wash day mean a blight on your life, all because you are not using modern methods?

IT CAN MEAN A NEW LIFE TO YOU

Wash day will no longer be a bug-bear looming up each week. No more back breaking or knuckle skinning.

THE "EASY" VACUUM ELECTRIC WASHER ABSOLUTELY ENDS YOUR WASHDAY TROUBLES

It washes the clothes spotlessly clean. It removes all dirt. All you have to do is to guide the clothes from one operation to another. All the hard work is done by electricity.

The "Easy" washes by air pressure and suction without friction and therefore doubles the life of your clothes.

Let us show you how the "Easy" washes your clothes. Telephone third floor for a demonstration.
